INTERNAL QUALITY ASSURANCE CELL (IQAC)

Minutes of the meeting held on 25th October 2019

Agenda

1. Reading the minutes of previous meeting
2. High level emphasis on latest teaching methodology.
3. Research Workshop & Seminar

Points of discussion:

1. Reading the minutes of previous meeting :

The minute of meeting were read and was confirmed by all the members.

2. High level emphasis on latest teaching methodology;

The Principal emphasized to all teachers that latest teaching methodology like Concept mapping Problem based learning , Group discussions (small & large group) Flipped classroom should be used in teaching learning process .Each teacher should start to adopt these methods in this academic year and it must be documented and feedback of the methods to be taken after the sessions.

3. Research Workshop & Seminar:

The Principal highlighted the importance of Research in nursing education .She informed to the research cell and also to all faculty for conducting departmental research works .Also a research workshop is planned and research cell takes the lead in organizing the research workshop. Its been decided that all the final year Bsc(n) students will conduct the individual research project and submit to their department faculty at the end of their academic year .

Principal deliberated that research publications need to be enhanced and publications must be in UGC approved journals .

The meeting ended with a vote of thanks by the coordinator .
